

WARRANTY CARD

GENERATION GRAPHICS

- In order for the warranty to be validated the following steps overleaf need to be followed.
- Generation Graphics wraps include a 1 year installation warranty, if there are issues within the boat, all warranty is voided.
- All works are accepted upon the balance payment which is due prior to the boat launching which validates the warranty.
- If fault is not down to Generation Graphics, we reserve the right to charge for any additional works.

**Yacht Wraps - Interior Wraps - Protection Wraps
Seadek - Stripes - Boat Names & Branding**

The Boat Wrapping, Graphics & Branding Company

Generation Graphics are a dedicated marine wrapping, graphics & branding company.

Based in Southampton in the heart of British boating, we are at the forefront of delivering both aesthetic transformations & sharing brand identities.

- **Antifoul to be overlapped a minimum of 5mm over the bottom edge of the vinyl.**
- **Silicone around any fittings, rubbing strakes or portholes.**
- **Use of the Generation Graphics cleaning products to ensure protection & maximise the life span of the wrap.**
- **Avoid Jet washing the boat.**
- **Avoid the use of any chemicals to clean the boat.**
- **The boat is NOT to be launched less than 48 hours after the wrap has been completed.**
